Ref.: Clayton Chemical Site General Notice of Potential Liability letter, 09-27-05.

Dear Sir:

Waterlac Corporation as referenced in the Clayton Chemical Site General Notice was a Massachusetts Corporation. The assets of the corporation were sold in 1985 and a new company, Waterlac Coatings Inc. was incorporated in Missouri under its present ownership.

In 2001 Waterlac Corporation was incorporated as a Missouri Corporation however it did not have any employees, did not conduct any business and was subsequently administratively dissolved this year. To our knowledge Waterlac Coatings Inc. did not engage in any business transactions with Clayton Chemical Co. as of its incorporation in 1985.

If further clarification of this information is necessary, please forward any future inquiries to my attention.

Edmund Rosa President Waterlac Coatings Inc. P.O. Box 8 Cuba MO 65453

Sincerely

Edmund Rosa
